# Vaccination Updates

# Vaccination Update\*

---

- CA currently receives **~2 million** doses per week
- More than **42 million** vaccines administered in CA with more than **20.3 million** people fully vaccinated and **3 million** more partially vaccinated
- **~70%** of people 12 years of age and older are at least partially vaccinated
- CA is averaging **~60,000** doses administered per day

*\*Figures as of July 8, 2021*

# Who Is Eligible & How to Book

---

- **All Californians ages 12 and up** are eligible to receive a COVID-19 vaccine.
- Californians should visit [MyTurn.ca.gov](https://myturn.ca.gov) to schedule appointments when available. My Turn is available in **14 languages** and those without internet or email access can call the COVID-19 Hotline at **1-833-422-4255** to assist with registration, which includes an extensive support center with the ability to help in more than **250 languages**.
- Some local health authorities have additional vaccination appointments that can be found through the **CDC's** [VaccineFinder](https://www.cdc.gov/vaccinefinder/) online tool.

# Vax for the Win – CA's Incentive Program

---

## **\$50 cards – “You Call the Shot California”**

Starting on May 27, the first 2 million Californians to start and complete their COVID-19 vaccination will receive a prepaid virtual card or grocery gift card from Kroger or Albertsons. Available while supplies last.

## **Tickets to Six Flags**

Select vaccination sites are giving away tickets to any Six Flags park in California while supplies last, including: Six Flags Magic Mountain, Six Flags Discovery Kingdom, Hurricane Harbor Los Angeles and Hurricane Harbor Concord. Just get your first vaccine dose at a participating clinic, and you'll get a ticket.

# Employer Resources

# Workplace COVID-19 Vaccination

---

- May require that employees receive an FDA-approved vaccine (*please note that the vaccines being used in the U.S. have an emergency use authorization from the FDA but are not yet considered fully FDA-approved*)
- Policy on vaccination cannot discriminate based on a protected characteristic, disability, or religion
- Must provide reasonable accommodation for employee with a disability-related reason or sincerely-held religious belief for not being vaccinated
- May ask employees for proof of vaccination (must maintain as a confidential record) or can use self-attestation

# Workplace COVID-19 Vaccination

---

- Encourage on-site workplace vaccination clinics (see next slide for details)
- Allow employees to get vaccinated on work time
- Cal/OSHA does not require employers to provide vaccinations
- But Cal/OSHA does require effective training for supervisors and workers on:
  - How to access testing and vaccination
  - The effectiveness of the vaccination to protect against COVID-19

# Requesting Workplace Vaccination Support

If you're an employer who is interested in supporting your employees in getting vaccinated, [this page](#) includes the following information:

- Types of vaccination support models
- How to submit a [worksite mobile clinic request](#)
- Other best practices to help employees access vaccines

*Please note: if your vaccination need is for **less than 100 employees/day**, you may want to consider a different approach for vaccinating your workforce. For any specific questions on the program, please reach out to [mobilevaccinesites@cdph.ca.gov](mailto:mobilevaccinesites@cdph.ca.gov)*
