# LA Wildfires Community Page Guidelines

Welcome to our resource-sharing and discussion hub. This page is intended for business serving organizations (BSOs) that are supporting those affected by the recent wildfires in Los Angeles. Whether you're looking for help, offering resources, or seeking opportunities to collaborate, this is the place to connect.

If you don't have a CAMEO Academy account, select "Create an account" on the bottom left side of the login pop-up and fill out the information requested to create your account. (*Note*: the system will send you a verification email. Please make sure to check your Spam folder if you don't see the verification email in your inbox. If it's not in your Spam folder either, please email rapidresponse@cameonetwork.org so we can help you).
